

Monthly Report for April 2009

Dear Brothers and Sisters,

Please receive our greetings from Peru in the name of our Lord Jesus Christ

Missionary Baptist Church of OTUZCO:

Glory to God!!! One couple and one Young person accepted Jesus this month.

Through the heavy rains, Brother Filipe, my wife and I traveled on Thursday the 9th to a new location called LA Fortuna. We had a great experience preaching with more than 100 people that night. Amen.

I also have been traveling with my wife, Maria Julia, to visit and give encouragement to the brothers and sisters at the different missions.

On Sunday the 12th at the church in Otuzco we had a good revival with a feeling of much spirituality among the brothers and sisters, and many special hymns for the Holy week.

I want to request that you unite in prayer for the radio broadcast in which I am preaching to the city of Otuzco, that it will have good results. Many people call the radio to express appreciation for the message.

Baptist Mission EL ALIZAR:

My brother Juan is moving forward with studies in the homes of brothers and sisters.

Even with this rainy season, the attendance is as normal.

We are hoping the rainy season will pass so that we can begin work on the roof.
